Birth Day Dinner.

Mrs. J. V. White, this place, was sixty-eight years old last Monday and the event was duly celebrated. A number of relatives and friends were invited to the home and a most bountiful dinner was spread, Mrs. J. C. Strange assisting her mother in entertaining.

After dinner several hours were delightfully spent in social converse. Mrs. White received a number of handsome and useful presents.

Highly Appreciated.

The "Sketches of Adair County," written by Judge H. C. Baker and published in the Adair County News are being widely read, and patrons write that they are exceedingly interesting. We have had for some months nearly every mail. They should be read by every person who has any knowledge of Adair county, and they should be kept for future reference.

The following notices came to the office last week, both written in and sent from Louisville:

"I have read with much interest the installments of 'The Sketches of Adair County,' written by Judge H. C. Baker, which have been published in your paper and am anxious to read the remainder of this splendid history of Adair County. You were fortunate in securing from Judge Baker the privilege of publishing this history. It is splendidly written by a gentleman who is well qualified to write, and one who has the confidence of all who know him. It is entitled to be called 'The History of Adair County,' and I hope that some arrangements can be made whereby it will be put in permanent form. Several people have asked the privilege of reading my copies."

"I failed to keep the paper with the first installment, and I wish you would send me this part, so that I can preserve the entire history."

"With the kindest regards, I am, Very truly yours, James Campbell."

"I have read with interest and article written for your paper by Judge H. C. Baker pertaining to Adair County. He is a fine fellow."

"I notice where William Caldwell was clerk and as I am a direct descendant of his, I very greatly appreciated the article."

"You will please find enclosed fifty cents worth of stamps for which I want you to send me all the issues pertaining to Adair County written by Judge Baker, beginning with the first issue Jan. 23rd, 1918 and continuing through from time to time. If this amount is not enough to cover these articles, please send me bill for same, and I will remit the additional amount."

"Thanking you in advance for the courtesy, I am, Very truly, Caldwell Norton, President."

Help Us Can the Kaiser.

Glensfork, Ky., Feb. 28, 1918.
Secretary of the Red Cross,
Columbia, Ky.,

At a stated meeting of Glensfork's Lodge number 528 F. & A. M., held in its lodge room, at Glensville, Adair county, Feb. 23rd, 1918, made a donation of ten dollars to the Red Cross: of which amount you will find enclosed to help our boys in the trenches.

We the members of Glensfork Lodge believe this war is a just war and could not be prevented; and the first prime duty of the United States is to lick the Kaiser, and to refuse to enter into any peace terms until that enterprise has been accomplished and German autocracy has laid down its arms and they have been removed from its treacherous reach.

We believe that the great American people and her allies are fighting for the safety of humanity and the liberation of the world against bondage and autocracy.

We have some dear boys from Glensville and one brother Mason, who have gone forth to battle upon the field of blood in order that we may live; and we as a body send this donation of ten dollars to help, aid and comfort some mother's boy who is dying upon the battle field. It behooves every American to contribute to the Red Cross and those who are able to subscribe for a Liberty Bond or a Thrift Stamp and to economize everything that is necessary for the prosecution of the war, so our boys can stem the tide.

So let us all be up and doing with a heart for any fate and stand by our able President, and as he sits at the steering and steers that Grand Old Ship of State of ours, which our forefathers fought and died for, in order that their posterity could sail calmly over the stormy tide. So let us back him in his peace proposition and

fight until militarism and autocracy has been put down forever, and a treaty of peace signed that is worth while.

Sister Lodges take notice and govern yourselves accordingly.

We remain, Fraternal yours,

John A. Jones,
H. K. Walkup,
Committee

How the Boys Fare.

The following is issued by National War Work Council, Y. M. C. A. Chicago. Contributions made by residents of Columbia to the National War Work fund of the Army Y. M. C. A., which has now reached \$60,000,000, are already paying big dividends in the lives of the boys who have gone from this city and county to receive their military training at Camp Taylor and Shelby and other military points in the west and south. According to advices reaching here this week the Y. M. C. A. huts in the big cantonments never have been so popular as during the recent cold weather, when thousands of enlisted men were driven inside the buildings for their amusements, games and letter writing. The clerical open fire places, the phonographs and pianos, books and magazines form a happy combination that spells 'home' to the boys away from home.

Practically every family in this community has received letters from Kentucky and Indiana boys written on Y. M. C. A. or Red Triangle stationery which is mailed without cost to every man in uniform. At Camp Taylor recently a total of 147,322 letters were mailed by the Y. M. C. A. in a single month, all of them having been written at the benches in the Y. M. C. A. huts.

Y. M. C. A. accommodations have been provided already in more than 150 centers in France for the soldiers in Pershing's expedition. At the present time there are more than 1,300 American Y. M. C. A. secretaries now in the war zone promoting for Uncle Sam's boys the same program they have enjoyed in the big camps of this country.

When the American troops look over their section of the French fighting front there were eight Y. M. C. A. doughnuts waiting for their exclusive use. These provided chocolate, sweets of all biscuits and antiseptics. The last thing American troops will get before they go over top will be a cup of hot coffee or tea, a biscuit or two, some chocolate for emergency rations and a word of cheer and inspiration from the Y. M. C. A. secretaries.

Go to Church Times.
